

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES AND CORPORATE SERVICES

Small Swale and Richard St Barbe Baker Afforestation Area – Natural Area Management and Conceptual Master Plans

Recommendation of the Committee

1. That the Natural Area Management Plans and Conceptual Master Plans for the Small Swale and RSBBA be approved in principle; and
2. That discussions with Meewasin on options and resources for site management at the Small Swale and RSBBA continue.

History

The Standing Policy Committee on Environment, Utilities and Corporate Services, at its meeting held on May 7, 2024, considered a report of the Utilities and Environment Division regarding the above.

In addition to the above noted recommendation, the Committee also resolved the following:

That the report be forwarded to the Saskatoon Environmental Advisory Committee for information.

That when the report is presented to City Council, an additional map be provided showing the previous and new proposed alignments of the Saskatchewan Freeway, the project study area, the City of Saskatoon boundary and if possible any relevant land ownership.
