Comments:

Dear Councilors and Mayor,

I attended a Jane's walk on Saturday to the Small Swale and after observing this incredible ecosystem I am writing to express hopes that the city will move forward to approve the plans to begin the process of managing this area with Meewasin. Please do not endorse the Provincial Gov't plan to build a multi lane freeway through this area. It will destroy a huge portion of the large and small swales. Also, the noise of a freeway through there will end the very peacefulness one feels when walking the swales. As it is now, you can only hear the birdsong and the frogs. Please add my name to the citizens of Saskatoon that is begging council to ask the provincial gov't to choose a route that not intrude on the swales and to do an impartial environment assessment. Thanks for your time,

Mary Uzelman
