Comments:

Hello,

To whom it may concern,

My name is Lucy Stobbe, and I am an avid cyclist who commutes daily via my bike. As someone who see's first hand the poor bike infrastructure we have within our city, I ask that you please do something about it.

Concerning 7.1.1 – Connecting 2nd Avenue/3rd Avenue: Walking, Cycling, and Driving Improvements [TS2024-0504]

I support - Option 2A – Widen to the West.

I am asking that you vote in favor of improving the downtown district for bikes. As someone who bikes down town almost every day, I see the need for a muti use pathway, and the benefit for everyone commuting. More over, if the city decides to build an arena downtown, then people will be more incline to bike, and not congest the downtown roads.

Concerning 7.1.2 – Opportunities for Rapid Deployment of Safety Improvements on Active Transportation Routes – May 2024 Update [CC2023-0602, TS2023-1003, TS2023-1204]

I support option Option 2: Implement a Neighbourhood Bikeway using Rapid Deployment on Route 6.

Having a bikeway that leads on to campus, as well as through a busy neighborhood is an amazing way to limit accidents, and promote biking. With the accident on College and Wiggins of Natasha Fox, the city needs to look for alternate ways of accessing the campus, safely and feasibly for cyclists.

Thank you

- Lucy Stobbe
