What agenda item do you wish to comment on ?: – Opportunities for Rapid Deployment

Comments:

I believe a bikeway along Route 6 (Munroe Avenue) would offer more access to campus for active transportation users with a wider range of abilities and theoretically could reduce University traffic congestion in general, and at College and Wiggins in particular.

I urge you to support these items and forward them to your colleagues at city council for further discussion.

Thank you for your consideration.

Will you be submitting a video to be vetted prior to council meeting?: No
