

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES AND CORPORATE SERVICES

Establish Capital Project – City-owned Organics Processing Facility

Recommendation of the Committee

1. That a capital project be established in the amount of \$22,110,000 to be funded through borrowing, subject to a public hearing and intent to borrow report; and
2. That this capital project be exempted from the 10% downpayment provision required for capital projects funded through borrowing as stated in Council Policy C03-027.

History

The Standing Policy Committee on Environment, Utilities and Corporate Services, at its meeting held on May 7, 2024, considered a report of the Utilities and Environment Division regarding the above.

The Committee did not vote on the recommendation unanimously.
