Comments:

I am requesting City Councilors to vote No on the Saskatchewan Government's Highway Development Phase 2. We are all aware of the unique and important contribution natural areas are to urban development. Many cities are reversing roads and pavement structures in their cities in order to bring back marsh and green space within the cities. Saskatoon Swale is an important natural environment both in terms of the environment and wellness of the Saskatoon residence. It is a natural area that we have inherited not developed. It is a unique beautiful area of our city. A highway pass will diminish and scar this area.
Please vote No to this development.
