**Comments:**

I have great concern for the proposed changes in Brevoort Park area which would allow for the building of multilevel and multiunit complexes in the area. Without acceptable additional parking the neighbourhood will be overcrowded with vehicles and traffic will become a greater concern than it already is.

In addition, the loss of mature trees in the area to allow for such buildings is something that will not be able to be replaced in the next 20 years. Please don't pave, congest and over populate our neighbourhood.
