What agenda item do you wish to comment on ?: Phase 2 Saskatoon Freeway project

Comments:

I am writing once again to ask City Council to vote NO to the proposed Saskatoon Freeway alignment that would pass through the North and Small Swales. This project would send several lanes of high speed traffic through both of the the Swales.

The project would be a disaster for these sensitive environmental areas.

The Swales are home to a diverse population of plants and animals. Some of these are of conservation concern. In addition, the Swales comprise an important natural area near our city.

Unfortunately, the response from the Department of Highways does not commit to an Environmental Impact Statement, nor does it include any plans for protection of these sensitive areas.

Let us protect these natural areas near Saskatoon. Please vote NO to the current Freeway proposal. Thank you.
