Comments:

Dear Council, the North East and Small Swales are native grasslands and natural wetlands supporting an abundance of biodiversity and must be protected from development.

The Ministry of Highways and Infrastructure has asked City Council to approve multiple lanes of high speed traffic to cut through both swales.

I urge City Council to:

- 1. Vote No to Phase 2 Proposed Saskatoon Freeway alignment through the North East and Small Swales.
- 2. Live up to your comittment to protect these natural areas.
