Comments:

To Council,

I'd like to thank the Standing Policy Committee on Environment, Utilities & Corporate Services for forwarding the Dundonald Avenue Solar Farm Project Options to city council, and encourage all members to vote in favour of the committee's full slate of recommendations.

This is an exciting project, and hopefully one that will inspire much more investment in renewable energy in the shortest possible time; climate change appears to be outpacing our most dire predictions, so action now and tomorrow is vital.

Thank you for addressing this important existential issue.

Jason Hanson
