Oh no.

I just caught my outlook 'sending and receiving' and realize that the email below didn't send yesterday while I was online.

I understand that the request is now past the deadline. Please advise if David's request can be accommodated. As below, I can ensure any instruction messages reach him.

I apologize for the tardy request.

Thank you!
Hilary

Subject: request to speak - 10.4.1 - Fineday

Hello Clerk team,

I spoke earlier today with David Fineday. He'd like to request to speak to item 10.4.1 (Washrooms and Drinking Water) at the regular business meeting this week.

David leads the Smudge On program in Pleasant Hill and has long been involved in the Pleasant Hill and Riversdale communities.

I have included him here by email, and will communicate any instructions back to him if they are sent here.

Alternately, David can be reached by phone at [REDACTED].

Thank you,
Hilary
