What agenda item do you wish to comment on ?: Proposed Median Opening - McKercher Dr. at Duncan Cres.South

Comments:

I believe that this median opening is a traffic safety issue and should not be approved. As a resident of Trent Cres. since this area was developed approx. 48 years ago. McKercker Drive has become a busier collector street in the area and any Left turns have become increasingly more difficult. I have often experienced cars making left turns into oncoming traffic that are near accidents, and this will only increase if this opening is approved. Which will result in an increase in accidents. In addition the opening will only benefit approx. three dozen residents on Duncan Cres. There are existing median openings within very short distances both north and south of this proposed opening (Mount Allison Cres and DeGeer Street).

I would recommend that approval for the median opening be denied.
