

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES AND CORPORATE SERVICES

Martensville Sewer Rate Framework

Recommendation of the Committee

1. That the volumetric charge to the City of Martensville for wastewater treatment be equal to the commercial volumetric rate in Bylaw No. 9466, The Sewer Use Bylaw, 2017, and subject to any high strength wastewater surcharges should the quality of Martensville's wastewater be of that quality; and
2. That the City of Martensville be charged a 2% per year capital replacement value of the pipeline connecting the Biosolids Handling Facility to the Wastewater Treatment Plant for pipeline asset management.

History

The Standing Policy Committee on Environment, Utilities and Corporate Services, at its meeting held on June 4, 2024, considered a report of the Utilities and Environment Division regarding the above.
