Comments:

I would like too attend this meeting to speak. I submitted a letter earlier addressing my opposition to these changes in our bylaws. This will spoil a lot of our core neighbourhoods and is not needed based on the new developments occurring all around the city. It is not okay with me that our city council could jeopardize the home values of its tax paying constituents with very little transparent discussion on the matters.

Will you be submitting a video to be vetted prior to council meeting?: No
