Comments:

Dear Mayor and Councilors,

I am writing today in support of Saskatoon's HAF initiatives, which include supporting the zoning changes of 4 units per lot and 4-storeys within 800m of transit.

These changes will benefit future and current residents by encouraging missing middle housing, supporting future growth in the transit development areas, and providing housing options that will benefit Saskatoon for generations to come.

I encourage you to approve the zoning amendments as outlined in the Housing Accelerator Fund.

Sincerely,

Thomas Eastman
