Comments:

Dear Mayor and Councilors,

I am writing today in support of Saskatoon's HAF initiatives, which include supporting the zoning changes of 4 units per lot, 4-storeys within 800m of transit and funding to help bring affordable housing to the Saskatoon Market.

These changes will benefit future and current residents by encouraging missing middle housing, supporting future growth in the transit development areas, and providing housing options that will benefit Saskatoon for generations to come.

I encourage you to approve the zoning amendments as outlined in the Housing Accelerator Fund.

Sincerely,

Stephan
