Comments:

I support amending the bylaws and implementing associated zoning changes as required to allow for eligibility for the Federal Housing Accelerator Fund. Housing is a human right and should be the focus of the discussions in this matter. As such, I emphasize that providing housing to those who are vulnerable due to health and financial issues also requires commitment of significant support resources and the City must also petition the Provincial Government to step up social services support in conjunction with this housing initiative. Yours, Peter Barnacle
