Comments:

I am writing to express strong support for the proposals outlined with regards to the HAF.

I live in Ward Two, near 22nd street, and am eager to see four storey multi-use introduced along this corridor. I equally support the introduction of four-unit residential development in residential areas, and would love to see more density encouraged and allowed to flourish in our city. I miss the walkability and transit-accessibility of other cities I've lived in, and applaud these efforts in Saskatoon.
