What meeting do you wish to speak/submit comments ? (if known):: June 27th HAF Special Meeting

What agenda item do you wish to comment on ?: #1-4

Comments:

I have submitted my personal comments but I also set up a petition for other residents to sign. They are simply asking you vote no on items 1-4. I am attaching the petition signature as of 1:27pm on Monday June 24th. I would ask at City Council also continue to monitor the petition as it's only been truly shared since June 20th.

I cannot say I share the feelings of all the signatories. However, I think it shows that citizens need to be informed—even people I know who support the changes do not seem to understand the extent of the changes being proposed (example: they thought off-street parking was still required).

Will you be submitting a video to be vetted prior to council meeting?: No
