**What meeting do you wish to speak/submit comments ? (if known)::** Propped median opening mckercher and Duncan cres

**Comments:**

Mckercher is already one of the most dangerous streets to attempt to cross. Adding yet another crossing would be

dangerous. There was a traffic study conducted a couple of years ago and the recommendations have still not been implemented which included a new traffic light at Degeer. Until the traffic light and speed controls are placed at the correct spot I would not support another opening that will contribute to a safety risk.
