Comments:

As a long-time resident of City Park, this is the first issue that I have felt strongly enough about that I feel compelled to make a comment. While not against the concept, I am concerned that the blanket adoption of new bylaws for densification do not take into account the differences in neighbourhoods, and that changes-while necessary- are not being made in the correct order. Nor do they consider all possible consequences.

Will you be submitting a video to be vetted prior to council meeting?: No
