Comments:

Hello, I am writing to encourage you to please vote yes in favour of proposed zoning changes and the required efforts it would take to access federal funds for affordable home creation.

There are many large abandoned, lots in the downtown core area where a new four Plex or low rise apartment building would add new life, provide much needed housing, and work to revitalize our existing neighborhoods. Growth on the edges of the city costs too much and forces resistant to drive long distances. Leaving vacant lots and crumbling in uninhabitable homes has a tremendous impact on a neighborhood and out city. Please vote in favour of accessing the housing accelerator fund and support the zoning changes to encourage new builds. Thank you for considering this, sincerely, Karen Farmer.
