Comments:

Dear City Council,

I recently learned that the City is proposing changes to zoning bylaws that would allow:

up to Four-units of housing on any 50ft residential property city-wide
up to Four-storey housing in areas close to Transit corridors across the city
up to Six-storey housing on Transit Corridors and near transit stations

I understand that these changes are being proposed in order to:

speed up the creation of more housing units
make it possible to create more housing in existing neighbourhoods
make sure Saskatoon qualifies for the Federal Housing Accelerator Fund that the City will use to help get more affordable housing units built

Will you be submitting a video to be vetted prior to council meeting?: No
