Comments:

Dear Mayor and Councillors

I am writing today in support of Saskatoon's Housing Accelerator Fund (HAF) initiatives, which include supporting zoning changes of 4 units per lot and 4 stories within 800 meters of transit.

These changes are a necessary step in the right direction to make housing more affordable, adding more "missing middle" housing to the city and supporting growth in transit areas. The productivity increases from the resulting densification will have positive benefits for the local economy well into the future.

I encourage you to approve the zoning changes as outlined in the housing accelerator fund.

Sincerely, Brandon Carruthers.
