**Comments:**

Dear Mayor and Members of Council,

I would like to voice my SUPPORT for the proposed HAF changes. These adjustments will make it easier to build more housing in the core areas of Saskatoon where people want to live and work. It is imperative that we make it easier for housing units to be built, especially along transit corridors.

I believe these changes will have especially large benefits for people who are renters, who are lower income, who

don't have cars, and who tend to be younger. Please keep the needs of folks like this in mind when you cast your vote-- we are just as deserving of housing and accessibility as everyone else.

Thank you,  
Mercy Harris
