PUBLIC NOTICE

BLAIRMORE SECTOR PLAN AMENDMENT

Saskatoon City Council will consider the adoption of the Blairmore Sector Plan Amendment. The Blairmore Sector Plan outlines a vision for future urban development in Saskatoon's west side. The Blairmore Sector Plan is a long-range plan that will provide a framework for future growth.

REASON FOR THE AMENDMENT – The Blairmore Sector Plan was last adopted by City Council in 2011. Since that time, policy direction and development pressures have shifted, necessitating an amendment to the Sector Plan. The most notable reasons for amendment are:

- A need to align policies for the Blairmore Sector with new and updated city-wide policy direction;
- The realignment of the Blairmore Sector's boundaries to remove areas outside city limits and add areas in the city's southwest that have not previously been addressed by a Sector Plan; and
- Responding to changing market conditions, including an identified need for more commercial development opportunities on the west side of Saskatoon.

The amended Blairmore Sector Plan is a comprehensive report outlining high-level strategies for land use, open space, servicing, environmental considerations, mobility and phasing. The proposed Blairmore Sector Plan is available for viewing on saskatoon.ca/engage/blairmore-sector-plan-amendment.
