Comments:

These changes will create chaos. Just once will you actually listen to the citizens/taxpayers?
Frankly, I doubt you will.

Actually, with more than one-half of Council not returning, you totally lack the moral authority to pass any of these related amendments. Why is Council so enamoured with regularly giving our citizens, "the back of your hand"? This current City Hall culture of secrecy, smugness and arrogance has to go. Hopefully, this Fall's municipal election will bring us fresh faces who appreciate the virtue of working with and for our citizens. Vanity projects, perpetual 12% municipal tax/utility increases and a bloated, over compensated City Hall bureaucracy is not leadership. Listening, a little humility and more openness would be a welcome change.

Let's hope!
