What meeting do you wish to speak/submit comments ? (if known):: Housing acceleration fund sale of city owned land0 portion of 1635 mckercher drive

What agenda item do you wish to comment on ?: I appose this project

Comments:

I oppose this project as it will increase the business and reduce the safety of the area. The intersection is already busy especially during school ours. Adding another building would increase that. As long as I have lived here, I have experienced atleast 3 car accidents per yer. I have two nephews who like to walk our dogs and crossing the intersection gives me great anxiety even though there is a pedestrian light it still is unsafe. Furthermore, this specific area around the neighborhood is an iconic staple to this place. Getting rid of it would only reduce the beauty of this neighborhood. It has been a part of most of my childhood and seeing changes around it breaks my heart.
