We are opposed to the removal of the existing Municipal Reserve Designation for the portion of 1635 McKercher

Drive (Lakewood Civic Centre) in order to build 75 to 150 units of affordable housing. This area is presently used as a COMMUNITY GARDEN that is helping many in the neighbourhood. There already are not enough parking spaces to accommodate those at the Civic Centre or those utilizing the activity spaces around it. With this many housing units there will be so many of these residents who will choose to park on these busy streets--also a snow route! Green spaces in our city should NOT be taken away! Please note our opposition at the meeting scheduled for August 28th. We are not able to be present ourselves.
