**Comments:**

I am greatly opposed to the removal of the municipal reserve designation from 1635 McKercher Drive in order to

offer the land for sale.

This land designated as a municipal reserves protects the land around the Lakewood civic Centre from being expropriated and sold which would then increase population density, to remove trees and reduce green space available for community socializing for present and future generations. Our city councillors have worked diligently to protect and maintain an environment that is know for beauty, safety and environmental green spaces. Please do not remove the protection from our established municipal reserve areas.
