Comments:

I think this is an awful idea! There are multiple unused, LARGE places outside the city. That would be a perfect place for homelessness. Provide a shelter and the resources for people to get sober. Provide a gym to work out in and clear a person's mind; focus on other things, instead of running to drugs. Instead of providing a free place to sleep, eat and shower, actually provide the PROPER RESOURCES to get sober, help get a job, counseling, etc, etc, etc! So many people don't want to do drugs, or live the life they live but, they do because there aren't the proper resources or places for people to actually go to!
