**What agenda item do you wish to comment on ?:** Temporary homeless shelter 210 Pacific Ave

**Comments:**

Further to the comment I submitted on Friday Sep 20, I would like to add the following. Fencing the shelter's perimeter facing Pacific Ave would help keep vulnerable populations from sharing the same outdoor space. If fencing alone is not adequate to make children & staff feel safe, vinyl webbing could be added to the chained link fencing to create more of a 'privacy wall' for the shelter.
