Comments:

It's an excellent location for those of us with kids at Sutherland School—I can conveniently drop off my grade 2 in school and toddler in an adjacent daycare without the stress of driving down to Evergreen before heading downtown every morning.

The need for daycare spaces at Sutherland is pressing. Unlike other recently developed elementary schools in Saskatoon, Sutherland School does not have an in-built daycare, making this a crucial supportive facility.

I support this proposed daycare and hope it opens soon.
