Comments:

I am a parent of two kids (an infant and toddler). I am supporting a new daycare because it will benefit families in our neighbourhood. It will reduce the stress and anxiety of working and schooling parents like me who find it challenging to access childcare services nearby.

Our city and neighbourhood have grown and are still growing. Many young families are looking to the City government to support the development of more Daycares closer to homes and not in distant Industrial or commercial districts.

Will you be submitting a video to be vetted prior to council meeting?: No
