Regarding item: 7.2.1 Infrastructure Canada – Active Transportation Fund 2025 [TS2025-0102]

To the committee,

Saskatoon Cycles is firmly in support of the city administration's report and recommendation to apply for federal funding to help actualize the proposed infrastructure projects as identified by the transportation department.

It is our belief that expansion of the current active transportation network in Saskatoon will increase safety, accessibility, and mobility for a greater number of users and will be appreciated by the vast majority of the community.

We strongly endorse the report and recommendations, and would be happy to advocate on its behalf at any future point of consideration.

Thank you,

Saskatoon Cycles Board of Directors
