**What agenda item do you wish to comment on ?:** 8.2.2 Speed limit Chang on Munroe Avenue between College Drive and 14th Street

**Comments:**

I support the proposed speed limit change from 50km/hr to 30 km/hr. This area is very congested with pedestrians and cyclists and street parking in the area makes the street very narrow. A speed limit of 30km/ hour would greatly enhance the safety of vulnerable road users. There are no sidewalks on Munroe Avenue south of Temperance Street so pedestrians are forced onto the road at this point making it especially dangerous.

Thanks  
Lynne Meredith
