**Comments:**

We appreciate this review of progress toward the possible designation of a National Urban Park in the Saskatoon

Region. We understand that public engagement will begin in July and continue through the summer-- a busy time of year. Out of respect for stakeholders, we ask that the Capital and Operating Plan be made available as soon as possible, to give interested parties time for review. We are especially interested in seeing a more legible map and to confirm that the City's highest-priority natural areas -- the Northeast and Small Swales -- are protected within the proposed Park boundaries.

Best regards,  
Meghan Mickelson & Candace Savage
