Subject: Safe City and Lowering Flag for Palestinians

Saskatoon City Council:

City Council declared Saskatoon a safe city for a minority group. Charlie Clark ordered City Hall to lower the Canadian flag at City Hall after the October 7, 2023 attacks. I request that the same actions be taken for Palestinians.

I request that City Council declare Saskatoon a safe city for Palestinians. Palestinians are currently the most persecuted minority because they're currently being killed in a genocide, ethnically cleansed, and brutally oppressed by fascist and imperialist Israel.

Furthermore, I request that City Council agree to lower the Canadian flag at City Hall as a result of the countless Palestinians murdered by Israel.

Israel has been bombing hospitals, schools, universities, United Nations buildings, housing, tents, mosques, churches, etc. in Gaza. Israel has been executing medics, aid workers, medical staff, journalists, women, children, etc. Israel has been committing frequent massacres of random Palestinians waiting for aid, frequent destructions of random Palestinian homes, and frequent shootings of other random Palestinians. Israel has been torturing, sexually assaulting, and wrongfully incarcerating Palestinians. Israel has been committing ethnic cleansing and massacres in West Bank.

Israel has been massacring, ethnically cleansing, and brutally oppressing Palestinians for 77 years. Israel drew first blood. See this publication that I wrote for further background information:
