Comments:

I entreat you to revoke the "2slgbtqia+ safe city" status city council preemptively declared Saskatoon as. Allowing the sean feucht demonstration to go forth proves to us in the community who are 2slgbtqia+ that you truly do not think about our safety nor our wellbeing. Pointing fingers at various other organizations saying its their responsibility to say no to the permit is ridiculous. Sean Feucht spreads hate, sacrilegious rants, and straight up calls members of the 2slgbtqia+ community a perversion.

Please inform me how allowing him to spread his hate is protecting the emotional/ mental / and spiritual health of 2slgbtqia+ members and 2slgbtqia+ youth. Suicide and depression numbers are climbing and events like feuchts only makes things worse.

We are not safe in this city when hate like sean feucht's is allowed to be spread. It is a poison.

There is no other hate like a false christian's "love"

One can not say love is for all but then exclude those who you view as a perversion in your eyes.

It is disappointing and shameful that the city i grew up in as a trans indigiqueer is not safe for me to live my life. And that this shameful bigotry was allowed to occur on public grounds in my own neighbourhood.

Allowing it to happen in public screams to us in the 2slgbtqia+ community that you do not care for our safety our health and nor do you actually listen to our voices when we try to inform you on things that effect us.

Do better. We are not safe.

Will you be submitting a video to be vetted prior to council meeting?: No
