This is to let you know I will be at the meeting to speak in Aug 21 2025.
I will be speaking about , the charter of rights and how it is ,when it's violated with criminal charges ,
We will talk about freedom of media and the right to film police especially when dealing with the videographer .
I will also be speaking about , indictable offences committed by the Saskatoon police service .
And we will speak about the honesty and integrity of investigations by police officers and professional standard .
And last but not least we will speak on the treatment I have received from this board .
We will speak on what policies that have not changed after all the inquiries of deaths in police custody .
I will speak , no one will stop me .
You asked for a letter you have a letter I will be duplicating this email for further abusive moments if this board denies my access to freedom. Of speech and my voice.
