Subject: Saskatoon SAR - 2025 Year in Review

To: Saskatoon Board of Police Commissioners <board@saskatoonpolicecommission.com>

Dear members of the Saskatoon Board of Police Commissioners:

On behalf of Saskatoon Search and Rescue, I am pleased to share our 2025 Year in Review report with you. This report highlights the work we've done over the past year to contribute to the safety and well-being of our community and support public safety efforts.

The report is available here

or via our website blog

<https://saskatoonsearchandrescue.org/2025-a-year-in-review/>

We worked closely with the Saskatoon Police Service on multiple search activations, contributing trained volunteers, specialized equipment, and coordinated search resources to assist with vulnerable missing person investigations.

We were also proud to support Saskatoon EMO and the Canadian Red Cross during wildfire evacuations, assisting with the setup and operation of an emergency evacuation centre for northern residents displaced by fires. These operations reinforced the importance of strong inter-agency coordination during large-scale emergencies.

In addition, our Project Lifesaver program continued to expand, providing peace of mind to families and caregivers of individuals at risk of wandering due to cognitive conditions and strengthening missing-person prevention efforts in Saskatoon.

We sincerely thank the City of Saskatoon and the Saskatoon Fire Department for their support by providing us with office, vehicle and secure storage space at the Fire Inspection Station on York Avenue. This support directly enhances our operational readiness and response capability.

We value our partnership with all of these organizations and are committed to remaining a reliable resource for search activations and emergency situations. If you have any questions or would like to learn more, please don't hesitate to reach out.

Sincerely,

Carla Eager, President
Saskatoon Search and Rescue
