

BYLAW NO. 10165

A bylaw of the City of Saskatoon to raise by way of a Canadian Overnight Repo Rate Average (CORRA) term loan/interest rate swap transaction the sum of Thirty Million (\$30,000,000) Dollars to pay for a portion of the cost to construct a new central library in the City of Saskatoon.

Whereas *The Cities Act*, S.S. 2002, c. C-11.1 (the “**Act**”) provides that a city may borrow money or incur a debt for the purpose of financing capital property;

And whereas it is desirable to construct the new central library in the City of Saskatoon (the “**City**”) (the “**Project**”);

And whereas the Project is expected to cost \$150,000,000 and the total planned borrowing for the Project is \$67,500,000, with the balance being funded from a mixture of Saskatoon Public Library contributions and private donations;

And whereas the City proposes, pursuant to this Bylaw, to borrow the sum of \$30,000,000 to pay for a portion of the cost of the Project;

And whereas the Saskatchewan Municipal Board has established a debt limit of \$973,000,000 for the City (the “**Debt Limit**”);

And whereas the outstanding long-term debt of the City, including the Borrowing authorized by this Bylaw, as at January 28, 2026, totals \$316,293,389, no part of which either as to principal or interest is in arrears;

And whereas the debt to be created pursuant to this Bylaw, together with the current outstanding long-term debt of the City, does not in the aggregate exceed the Debt Limit, and therefore does not require the approval of the Saskatchewan Municipal Board;

And whereas *The Capital Line of Credit Bylaw, 2006* provides that the maximum amount of money that may be borrowed by the City using the City’s capital line of credit shall not exceed \$100,000,000 at any given time;

And whereas the long-term debt of the City in the amount of \$316,293,389 includes the sum of \$50,839,000 borrowed under the City’s capital line of credit with the Bank pursuant to *The Capital Line of Credit Bylaw, 2006*.
