

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES

Environmental Sustainability – Community Engagement Approach

Recommendation of the Committee

1. That the update on the communications and engagement strategies for Waste Diversion and Climate Change be received;
2. That the City enter into an extension of the current agreement with Ion Design Inc. for an additional sum of \$40,000 in accordance with the terms set out in this report;
3. That the City Solicitor be requested to prepare the appropriate agreement and that his Worship the Mayor and the City Clerk be authorized to execute the amending Agreement under the Corporate Seal; and
4. That use of Reserves be considered as one of the financial options for any capital investment for the new way service levels.

History

At the October 10, 2017 Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report of the A/General Manager, Corporate Performance Department, dated October 10, 2017 was considered.

In addition to an update to City Council on the communications strategy and engagement approach for Waste Diversion and Climate Change as well as obtaining City Council approval to extend the Consulting Services Agreement with Ion Design Inc. to enable the production of videos, your Committee is also recommending that use of reserves be considered as one of the financial options for any capital investment for the new way service levels.
