

## **GOVERNANCE AND PRIORITIES COMMITTEE**

---

### **Capital Project to Support City Council's 10 Strategic Priority Areas**

#### **Recommendation of the Committee**

1. That a capital project for \$50,000 be created to support the leadership of members of City Council in their assigned priority areas for consideration during the 2018 Business Plan and Budget Deliberations;
2. That the recommended funding for this project be the Reserve for Capital Expenditures; and
3. That the authority to approve the spending requests from this project made by members of Council be delegated to the Governance and Priorities Committee.

#### **History**

The Governance and Priorities Committee, at its meeting held on October 16, 2017 considered a report from the Office of the Mayor regarding the above.
