

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES

Utility Scale Solar Power Plant

Recommendation of the Committee

1. That Parcel M, Plan No. 102221525 (a 13 acre undeveloped parcel located along Circle Drive South near Montgomery Place) be set aside for a solar power plant;
2. That Administration proceed with community engagement and report back to City Council with options to finance, build, and operate the solar power plant;
3. That the options be referred to SREDA for evaluation of benefits to the economy;
4. That Administration report back on opportunities for Virtual Net Metering or Feed-in Tariff programs as an opportunity within this program; and
5. That the report of the Acting General Manager, Corporate Performance Department, dated November 6, 2017, be forwarded to the Saskatoon Environmental Advisory Committee for information.

History

At the November 6, 2017 Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report of the A/General Manager, Transportation & Utilities Department, dated November 6, 2017 was considered.

Your Committee received a presentation from Jason Praski, Installations Committee Chair, SES Solar Co-op, and his letter is attached.

Attachment
