Dear Deputy City Clerk Bryant,
Thank you for the opportunity to possibly share City Park and City of Saskatoon concerns to Council Monday, November 20, 2017, about the massive electrical installation on the corner of Spadina and Queen.

Our concerns are threefold:
Project management
Integrity and safety of structure
Consultation process with stakeholders

We would appreciate the opportunity to share along Councilor Hill's motion.
I am giving a presentation at my workplace Nov. 20 in the pm, but will attend Council as soon as I am able after 1:00.

Thank you for your consideration,
Mary-Jo Devine 306 222-4544
