

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES

Storm Water Flood Resiliency

Recommendation of the Committee

1. That a Home Flood Protection Program pilot project be developed for high flood risk areas in 2018;
2. That \$200,000 be allocated in 2018 from the Storm Water Capital Reserve to fund the pilot Home Flood Protection Program;
3. That the Administration refine infrastructure options with funding strategies and report back by mid-2018; and
4. That the Administration approach the Province through its Provincial Disaster Program to partner in this opportunity.

History

At the November 6, 2017 Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report of the A/General Manager, Transportation & Utilities Department, dated November 6, 2017 was considered and a presentation from Ms. Jennifer Kerr was received.

Your Committee is also requesting that the Administration approach the Province through its Provincial Disaster Program to partner in this opportunity.
