Comments:  
The Executive Director of the Riversdale Business Improvement District has been advised by the Ward 2 Councillor to bring a concern about wheelchair access and ramp construction to the Saskatoon Accessibility and Advisory Committee at the meeting at noon on Friday, January 12, 2018. The address in question is at 839 - 20th Street West and would involve installation of a wheelchair accessible ramp on the sidewalk, in front of this new business in a renovated older building.
