

## **STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES**

---

### **Pilot Project to Utilize Raw Water to Irrigate Parks in Brighton**

#### **Recommendation of the Committee**

That the Administration proceed with the development of a plan to implement a pilot project utilizing raw water for irrigating parks in Brighton as proposed by Dream Development and report back on the implications to a future Servicing Agreement for the neighbourhood as well as opportunities for developing a corporate approach to the use of raw water for parks irrigation.

#### **History**

At the May 14, 2018, Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report from the Corporate Performance Department was considered regarding the above matter.

Your Committee also received a presentation from Brad Zurevinski, General Manager, Dream Development in support of the proposed use of raw water for parks irrigation in Brighton.
