Subject: Presentation at Monday's Council Meeting

Hi Jay,

I'm wondering if you might have a few minutes to speak with me on Monday morning. I have read the article in today's paper regarding the petition of people that want the barrier removed and am extremely concerned. The article states that five people are going to have an opportunity to speak. It was my understanding that this would not even be an issue or up for discussion prior to the June 25th meeting.

I would like to have the opportunity to speak.

Thank you,

Dorothy
